TIBCO Export Control Classification Numbers
Below is a list of the U.S. Export Control Classification Numbers (ECCNs) for the latest versions (as of the date indicated in the footer of this document) of software released or otherwise made available by TIBCO Software Inc. Please note that a licensed product may consist of one or more downloadable items of software and those items may have different ECCNs, as recorded below. Please contact TIBCO for information on any product that is not included on this list.

<table>
<thead>
