C. Further Restrictions:

1. You are authorized to use the TIBCO StreamBase Standard Adapters as part of the Licensor Software or Product according to the terms of your End-User License Agreement. The TIBCO StreamBase Premium Adapters delivered with TIBCO StreamBase (all editions), TIBCO Live Datamart (all editions) or TIBCO StreamBase CEP Connectivity Package must be licensed separately prior to use. If a TIBCO StreamBase Premium Adapter is not listed on your Order Form, then you are not entitled to use that TIBCO StreamBase Premium Adapter included with TIBCO StreamBase (all editions), TIBCO Live Datamart (all editions) or TIBCO StreamBase CEP Connectivity Package.
2. You acknowledge and agree that the StreamBase Standard and Premium Adapters may require separate subscription(s) and/or license(s) in order for you to access the third party platforms with which an adapter is intended to connect and that it is solely your responsibility to obtain such subscription and/or license from such third party platform provider.
3. As a condition of obtaining a license from TIBCO for the following TIBCO StreamBase Premium Adapters, you must have a valid and current subscription to the applicable third party service to which the adapter connects: TIBCO StreamBase Adapter for Activ Financial, TIBCO StreamBase Adapter for Alpha EAPI, TIBCO StreamBase Adapter for Bloomberg BPOD, TIBCO StreamBase Adapter for Bloomberg B-Pipe, TIBCO StreamBase Adapter for Bloomberg Server API, TIBCO StreamBase Adapter for Bloomberg Tradebook FX, TIBCO StreamBase Adapter for OSIsoft PI System, TIBCO StreamBase Adapter for PlusFeed from Interactive Data, TIBCO StreamBase Adapter for Thomson Reuters Enterprise Platform for Real-Time contribution, TIBCO StreamBase Adapter for Thomson Reuters Enterprise Platform for Real-Time publish, and TIBCO StreamBase Adapter for Thomson Reuters Enterprise Platform for Real-Time subscribe. By way of example, in order to obtain a license from TIBCO for the TIBCO StreamBase Adapter for Activ Financial, you must have a valid subscription agreement with Activ Financial allowing you access to an Activ Financial content platform.
4. The TIBCO StreamBase® Adapter for Apache Flume is a separately-licensed product available for separate download from TIBCO and, therefore, is not distributed with TIBCO StreamBase (all editions), TIBCO Live Datamart (all editions) or TIBCO StreamBase CEP Connectivity Package.
